Corvallis Oregon 97333      Lima Peru 15026

## Education

Bachelor of Science in Computer Science  
Oregon State University — January 2019 - Present

Bachelor of Science in Computing and Information Technologies  
Rochester Institute of Technology — August 2017 - December 2018

## Experience

### **COURSE DEVELOPMENT, STUDENT EMPLOYEE**

**OREGON STATE UNIVERSITY - ECAMPUS — APRIL 2019 - DECEMBER 2020 — CORVALLIS, OR**

Created, maintained, tested, and updated modules, labs, forms, and interactive activities for online courses, and internal tools and custom frameworks for OSU-Ecampus while ensuring complete ADA compliance.

Worked with Bash scripts, HTML5, CSS, and JavaScript ES6. Deployed on Github Pages, AWS, and WordPress. Used React, Vue, and custom JavaScript frameworks and managed tasks using the scrum project management framework.

### **RESIDENCE HALL AMBASSADOR**

**OREGON STATE UNIVERSITY HOUSING — 2019 — CORVALLIS, OR**

Met with the South-Side Area Council weekly and the Oregon State University Residence Halls Association monthly to represent Halsell Hall residents.

### **JR. IT / JR. SYSTEMS ADMINISTRATOR**

**ANITA FOODS S.A. — MARCH 2017 - AUGUST 2017, MAY 2018 - AUGUST 2018 — LIMA, PERU**

Managed a three-server network. Implemented a company wide file storage and backup server. Fixed issues with factory production software with C++.

## Awards

### **FIRST PLACE ON AMAZON'S ALEXA COMPETITION STRAND**

**PENN STATE UNIVERSITY'S HACKPSU — APRIL 2018**

Created an Alexa-Windows integration tool which executes Windows commands through Alexa.

### **RUNNER-UP FOR GOOGLE'S COMPETITION STRAND**

**GEORGETOWN UNIVERSITY'S HOYA HACKS — JANUARY 2018**

Created an augmented reality mobile drawing application using Google Cloud Platform tools.
